Future Prediction

In the future, people **will live** in Mars.
In 50 years time, people **won't work** in factories, only robots.
Will Brazil win the next World Cup?

Use: any prediction without evidence

Promises; Requests; Refusals

I **will save** a lot of money.
I **won't help** you with that.
Will you marry me?

Spontaneous Decisions

I **will have** the chocolate cake.
I **won't do** the dishes now.
Will you cook today?
