

First Conditional

used to express:

real and possible future situations
plans and likely consequences
warnings, promises, threats

If (present simple) ... → **will / can / may** + (*base form*) ...

If it rains today we **will** *stay* at home
100% sure

We **can** go to the park, if it doesn't rain today
a possibility, an alternative

If we visit Barcelona we **may** go to the beach
maybe, a probability
