

used to

Past Habits and States

She **used to** live in the country side before.

I **didn't use to** travel much when I was a child.

would

Repeated actions in the past

Every summer, I **would** go fishing at the lake.

He **would** always bring flowers for my birthday.

Modals of HABITS

esl-inventory.com

be used to

Familiarity to a routine or things

He **is used to** waking up early every day.

I **wasn't used to** hot weather until I moved to Mexico.

get used to

Become familiar to something

When I moved to the countryside, I **got used to** the silence very quickly.

I still haven't **got used to** driving here.

I need time, but I'll **get used to** it.
