

# Connectors of Addition A1-A2

These connectors **add** information,  
*but* they **don't** go in the same place in the sentence

**and**

**also**

**too**

**as well**

I like coffee **and** tea.

*just adding another idea*

I like coffee. I **also** like tea.

*“this too” (more formal than “too”)*

I like coffee. I like tea **too**.

*“me as well” / very conversational*

I like coffee. I like tea **as well**.

*a bit more “polished” than “too”*
