

Connectors of Contrast C1-C2

These connectors **contrast** two pieces of information, *but* they are used in different and more formal contexts.

nonetheless

even so

notwithstanding

conversely

I don't like coffee. **Nonetheless**, I drink it to stay awake.

less common than "nevertheless", same function

I don't like coffee. **Even so**, I drink it to stay awake.

more conversational than "nonetheless"

Notwithstanding my dislike of coffee, I drink it to stay awake.

very formal, legal or academic tone, can be used in the middle of a sentence as well

Coffee helps me stay awake. **Conversely**, tea helps me relax.

also academic, feels more analytical than "on the other hand"
